RE: Exceptional Presentations Course

Dear John:

I attended your Exceptional Presentations Course last month in Austin. I found the course to be extremely informative and helpful to me. The practice sessions were a great tool to refine the skills you taught in class. Since taking the course, I am much more confident in my abilities to give effective presentations.

Thanks very much for your enthusiasm and insight during the course.

Sincerely,

A handwritten signature in cursive script that reads 'Patrick McLane'.
